Conditions of Sale

1. Rejection of Bids. Any bid which is not commensurate with the value of the article offered, or which is merely a nominal or fractional advance may be rejected by the auctioneer if in his judgment such bid would be likely to affect the sale injuriously.

2. The Buyer. The highest bidder shall be the buyer, and if any dispute arises between two or more bidders, the auctioneer shall either decide the same or put up for re-sale the lot so in dispute.

3. Identification and Deposit by Buyer. The name of the buyer of each lot shall be given immediately on the sale thereof, and when so required, each buyer shall sign a card giving the lot number, amount for which sold, and his or her name and address.

A deposit at the actual time of the sale shall be made of all or such part of the purchase prices as may be required.

If the two foregoing conditions are not complied with, the lot or lots so purchased may at the option of the auctioneer be put up again and re-sold.

4. Risk after Purchase. Title passes upon the fall of the auctioneer's hammer, and thereafter neither the consignor nor the Association is responsible for the loss or any damage to any article occasioned by theft, fire, breakage or any other cause.

5. Delivery of Purchases. Delivery of any purchases will be made only upon payment of the total amount due for all purchases at the sale.

6. Receipted Bills. Goods will be delivered only on presentation of a receipted bill. A receipted bill presented by any person will be recognized and honored as an order by the buyer, directing the delivery to the bearer of the goods described thereon. If a receipted bill is lost before delivery of the property has been made, the buyer should immediately notify the Association of such loss.

7. Storage in Default of Prompt Payment and Calling for Goods. Articles not paid for in full and not called for by the purchaser or agent by noon of the day following that of the sale may be turned over by the Association to some carter to be carried to and stored in some warehouse until the time of the delivery therefrom to the purchaser, and the cost of such cartage and storage and any other charges will be charged against the purchaser and the risk of loss or damage occasioned by such removal or storage will be upon the purchaser.

In any instance where the purchase bill has not been paid in full by noon of the day following that of the sale, the Association reserves the right, any other stipulation in these conditions of sale notwithstanding, in respect to any or all of lots so purchased to cancel the sale thereof or to re-sell the same at public or private sale without further notice for the account of the buyer and to hold the buyer responsible for any losses and costs sustained in so doing.

8. Shipping. Shipping, boxing or wrapping of purchases is a business in which the Association is in no wise engaged, but the Association will, however, afford to purchasers every facility for employing at current and reasonable rates carriers and packers; doing so, however, without any assumption of responsibility on its part for the acts and charges of the parties engaged for such service.

9. Guaranty. The Association exercises great care to catalogue every lot correctly and endeavors therein and also at the actual time of sale to point out any error, defect or imperfection, but guaranty is not made either by the owner or the Association of the correctness of the description, genuineness, authenticity or condition of any lot and no sale will be set aside on account of any incorrectness, error of cataloguing or imperfection not noted or pointed out. Every lot is sold "as is" and without recourse.

Every lot is on public exhibition one or more days prior to its sale, and the Association will give consideration to the opinion of any trustworthy expert to the effect that any lot has been incorrectly catalogued and in its judgment may thereafter sell the lot as catalogued or make mention of the opinion of such expert, who thereby will become responsible for such damage as might result were his opinion without foundation.

10. Records. The records of the auctioneer and the Association are in all cases to be considered final and the highest bid shall in all cases be accepted by both buyer and seller as the value against which all claims for losses or damage shall lie.

11. Buying on Order. Buying or bidding by the Association for responsible parties on orders transmitted to it by mail, telegraph, or telephone will be faithfully attended to without charge or commission. Any purchases so made will be subject to the foregoing conditions of sale, except that, in the event of a purchase of a lot of one or more books by or for a purchaser who has not through himself or his agent been present at the exhibition or sale, the Association will permit such lot to be returned within ten days from the date of sale, and the purchase money will be refunded if the lot in any manner differs from its catalogue description.

Orders for execution by the Association should be given with such clearness as to leave no room for misunderstanding. Not only should the lot number be given, but also the title, and bids should be stated to be so much for the lot, and when the lot consists of one or more volumes of books or objects of art, the bid per volume or piece should also be stated. If the one transmitting the order is unknown to the Association, a deposit must be sent or reference submitted. Shipping directions should also be given.

Priced Catalogues. Priced copies of the catalogue, or any session thereof, will be furnished by the Association at charges commensurate with the duties involved in copying the necessary information from the records of the Association.

No person other than the auctioneer or an official of the Association is authorized to arrange conditions of sale different in any way from those herein contained.

A MAGNIFICENT SPECIMEN OF EARLY XVIIITH CENTURY ILLUMINATION, the miniatures and historiated initials being of exquisite design, rivaling in workmanship the medieval manuscripts of similar style and far excelling them in the details of figures, faces and appropriate settings. THE PROFUSENESS OF THE MINIATURES AND THE EXCEPTIONAL SIZE OF THE MAJOR PORTION OF THEM ARE WORTHY OF COMMENT.

The title-page border with its vividly colored festoons is essentially French XVIIITH Century, but the miniatures follow the traditions of the early manuscripts as to subject, though far surpassing them in execution. The miniatures comprise:—

The initial letter is appropriately ornamented with skeletons and skull and crossbones. $4\frac{1}{4}$ inches square.

Following the vellum manuscript and bound in with it is a printed "Officium Sti. Benedicti," no title-page, place or date, folio skilfully inlaid to size. - 115 00 269. INDIANS. MCKENNEY (THOMAS L.) AND HALL (JAMES). History of the Indian Tribes of North America, with Biographical Sketches and Anecdotes of the Principal Chiefs. Embellished with 120 BRILLIANTLY COLORED portraits from the Indian Gallery in the Department of War, at Washington. 3 vols. folio, half maroon morocco (bindings rubbed, Vol. 2 loose in binding, one page with tear, some leaves and plates lightly foxed).

Philadelphia [various publishers] 1836-1844

FIRST EDITION. Vol. I has the imprint "Philadelphia: Published by Edward C. Biddle, 1836;" Vols. II and III have the imprint "Philadelphia: Published by Daniel Rice and J. G. Clarke" and are dated 1842 and 1844.

The portraits are actual reproductions of the original subjects who, at various periods, visited the Great White Fathers at Washington, and where their likenesses were painted in oils chiefly by the Government artist, Mr. King. Each portrait is accompanied by a biographical sketch of the Chief portrayed. The work, itself, incorporates a history of manifold Indian tribes of the United States.

In 1865 the Smithsonian collection of the original oil paintings was destroyed by fire. These plates, accordingly, are the nearest to the originals that can now be seen; but they are growing scarcer every day.

The Wallace Collection at Hertford House, consisting of paintings, watercolor drawings, miniatures, illuminations, sculpture, bronzes, armour and arms, furniture, porcelain, faience, enamels, snuff-boxes, ivories, glass and other precious works of art, was brought together chiefly by Francis Charles, the third Marquess of Hertford, who died in 1842, and by his son Richard, the fourth Marquess, who died in 1870.

When the Marquess died in 1870 the whole of his wonderful possessions was inherited by Richard Wallace. Considerable additions were made by him to the Collection, and at his death, in 1890, it passed in its entirety to his widow, Lady Wallace. Lady Wallace died in 1897, and by her will, dated 1894, the Collection became the property of the British nation.

Among the paintings are represented the works of the Italian, Dutch, Flemish, Spanish, French (17th, 18th, and 19th centuries), and the British Schools; including masterpieces by del Sarto, Titian, Rembrandt, Van Dyck, Rubens, Murillo, Boucher, Fragonard, Lancret, Watteau, Reynolds, Romney, and numerous others.
